

Fitting Instructions For Your Rug Bag

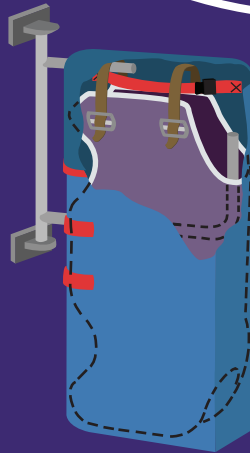

Step One
Place and securely hang your rug/s over a rug rail.

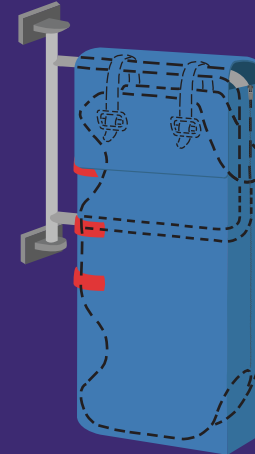

Step Six
Lay your covered rug/s in the Rug Bag on the ground (the front of the Rug Bag facing upwards). Then either fold or roll your Rug Bag until the handles meet (as illustrated).

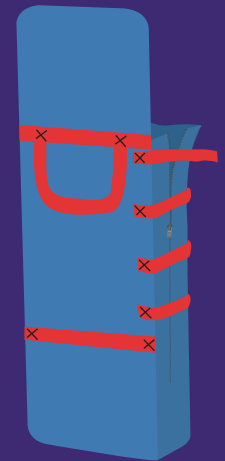

Step Two
Undo zip and webbing straps, place the Rug Bag over your rug/s until fully covered. Close zip and secure webbing straps around the rug rail.

Step Three
Undo the integral buckled strap inside the flap and thread through the chest straps of your rug/s (as illustrated) which shows the integral strap in place. Close the flap and secure with the hook and loop fastenings.

Step Four
Diagram shows rug/s covered by the Rug Bag, straighten and tidy your Rug Bag then seal the top and sides of the flap by the hook and loop fastenings.

Step Five
This diagram illustrates the backview of the Rug Bag and shows the carrying handles for transporting your Rug Bag.
